

# CONVENTION DRESSAGE JULY 25, 2009

By Patty Hug

Convention Dressage was a little smaller this year with only 54 rides scheduled. But then in case you did not notice, the whole Convention was under a heat wave. Once again I thank a great group of riders and volunteers who kept the show on time or ahead of time and made it a success. Thanks to Jeanne Gonzalez and Gil Gonzalez who scored all the tests, a special thanks to my co-chair Dana Tonai who worked gates, helped check people in, added her expertise in technical questions. Suzanna Wood worked her fingers to a blister as scribe writing all the comments. Marcy Holland jumped in and learned the role of a gate person. Thanks also to Junior Ambassadors, Margaret Smith and Leah Merville for retrieving tests for us. Our judge Cauleen Glass was wonderful to work with. She even gave a couple of competitors a little impromptu training session.

High scores awards were awarded to two levels, Training and First level. The high point for Training Level was awarded to Sir Edward ridden by Kathy Scroggins with a score of 70.00 %. First level high score was awarded to Kady McCracken riding Naidar with a score of 64.66%.
